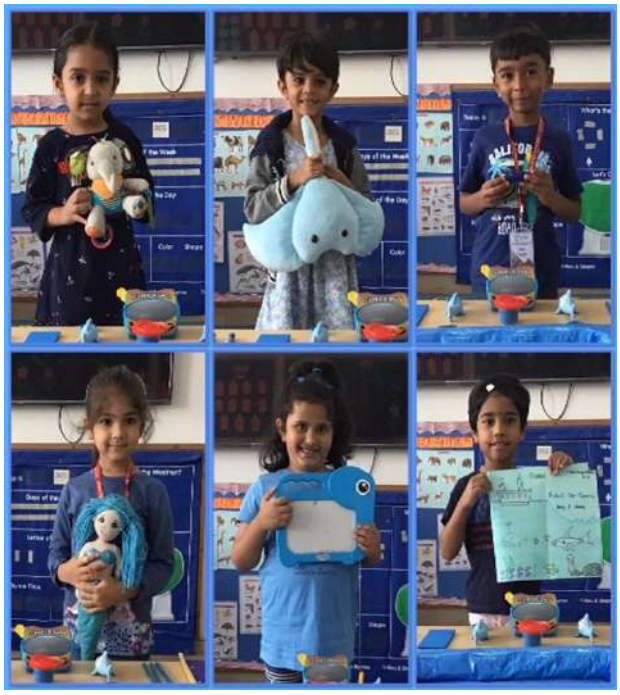
Blue day

Blue color day celebrations at Nalapad Academy Nest. The students of Nest celebrated blue color day on 30th of August. Blue is a cool and calming color that shows creativity & intelligence. The dress code of the day was blue. All the students dressed up in different shades and hues of blue, the students brought different objects like toys, decorative items and drawings based on the theme.



Happy blue day

Numeracy In Action

Numeracy is the ability to understand and use Math in our daily life. The students of FS1 AND FS2 had fun learning math through different concepts in a fun filled way.

Teachers' day- 2022

Teachers' day at Nalapad academy was celebrated with great gusto and gaiety. EY3-Grade 11 students gave a sweet surprise to our teachers. They organized a delightful show dedicated to their teachers. The event started with a prayer followed by Speeches, skit, music and phenomenal dance performance. Students ensured that teachers are engaged and enjoyed the event thoroughly. We are thankful for our students for giving beautiful memories to carry along until the next year.

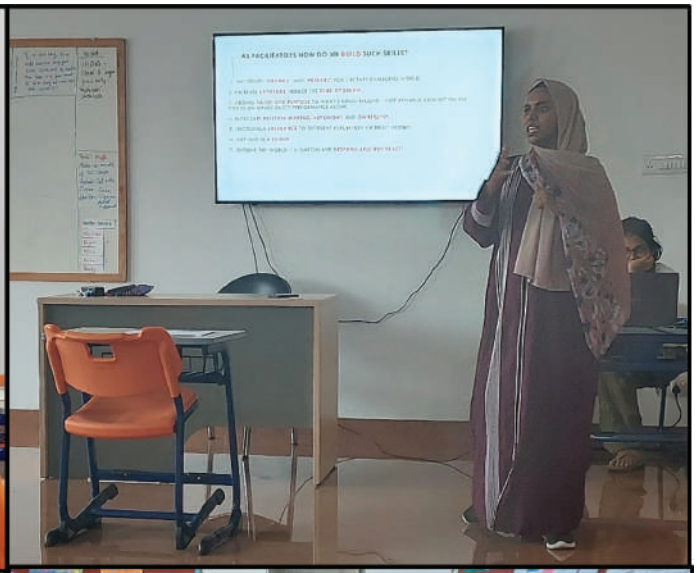
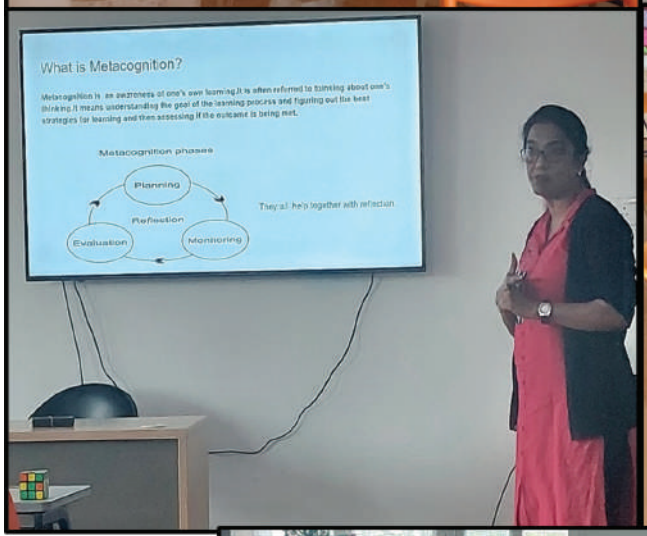
Workshop for Teachers on Metacognition: Boosting Student's Learning

The workshop was conducted by Dr. Elaine Higgleton, International Publisher, Collins Learning. As a part of Professional Development, Teachers of Nalapad Academy participated in this session and explored the meaning of metacognition which can help students improve their learning through some examples.
In this workshop participants played different games and learnt many metacognitive strategies which shows awareness of the needs of individual students. Overall, the session was fun-filled, interesting and informative.

In house PD-Dr. Edward De Bono Six thinking hats

Teachers partook in a Thinking Hats activity on the topic " Technology in classrooms" in our Professional Development session conducted this month. They understood the importance of using the thinking hats and demonstrated their understanding through role play. Few other strategies to teach students in fun-filled ways were also discussed in this session.





In house PD- Self awareness

PD was organized for the teachers on 24th September on Self-awareness. This session was conducted by Mr. Sridhar Srinivasan, a student of Banjara Academy with a certification in life skills and a Diploma in counselling skills. This session was specifically with respect to understanding emotions and insecurities; how to control and deal with them.

Cambridge Community meet

Cambridge Community meet was organized by Delhi Public School Bangalore East on Saturday,17th September 2022.The purpose of this meet was to share the Cambridge updates and enhance the standards of various Cambridge schools. Principal Ms. Shubhra Sinha, Academic Coordinator Ms. Sai Lakshmi and Cambridge Exam officer Mr. B.M. Subramanya Swamy from Nalapad Academy participated in this meet.

School level wiz national spell bee

School level wiz national spell bee was conducted in school on Tuesday 27th September. This will help the students compete, learn and develop their language skills to progress at their own pace needed for academic success.

Experiential Learning
“My School”- Grade 1

Tell me and I forget.
Teach me and I remember.
Involve me and I learn.

-Benjamin Franklin

As the ongoing topic in GP for Grade 1 is “My school”. Students were extremely curious in learning about the school. During our class discussion, students wondered about “how the building construction happened. Ms. Thanu was invited as a Guest lecture and she explained about the blue print of the school. Students also got an opportunity to explore materials like bricks and cement used in construction of the buildings. This activity boosted their enthusiasm in learning new things followed by recording their anecdotes.

Dussehra Celebration

Celebrating festivals will help the students to understand the significance behind the festivals. This will help them to be open- minded and develop a sense of respect towards various cultures and traditions. The celebration of this festival represents the triumph of virtue over evil. At Nalapad Academy Navratri was celebrated with a lot of Zeal and energy. Students came in the traditional attire and they danced to the tunes of Dandiya Raas. Students understood the tradition and importance of “Ayudha Pooja”. Students enjoyed the festival Special lunch.
