

## KANNADA RAJYOTSAVA

Kannada Rajyotsava assembly was organized on 6th of November 2019. The event started with the students of Nalapad Nest welcoming the teachers and administrative staff by giving a rose to each one of them. Once all the teachers, administrative staff and nest students settled, the primary students started the assembly with a welcome speech and a prayer. The students of standard 3 gave a brief speech on why Kannada Rajyotsava is celebrated. All the Kannada as 2nd language students sang the state anthem (Nada Geethe) and gave a small presentation on the important people and places of Karnataka. Other students danced to the tune of a popular Kannada song. Kannada to English translation of the programme was done by the students of standard 6 and 7. The assembly concluded with a speech by our Principal Ms.Kavita Sinha and our administrator Ms.Thanuja in English and Kannada respectively.

## CULMINATION OF UNIT 4- THE WORLD OF ANIMALS – FS1 AND FS2

As our unit about animals came to an end, FS1 and FS2 had the culmination on 22nd of November 2019, where children performed the classic Old MacDonald rhyme while dressing up as the animals. The adventure did not stop there. The children individually spoke about different animals with the help of props. The teachers made a beautiful set up of a jungle theme with different animals placed around which intensified the atmosphere. The children also got to learn different facts about different animals through their peers. The children learnt a great deal over this unit through playing and exploring the happy and relaxed environment.

## CULMINATION OF THE UNIT- ANIMALS AROUND US – EARLY YEARS

**World Animal Day is celebrated on the 22nd of November and in Nalapad Academy, we celebrated it for the whole week.**

Here's how we celebrated the world animal week:

- Spoke and discussed about different animals.
- Organized an animal-themed event by enacting and singing rhymes about walking through the jungle. This event helped the children to strengthen their stage presence and oral skills.

## FIELD TRIP FOR EY3 CLASS

The children of EY3 were taken on a nature walk for their field trip. There were different types of flowers and plants. Children observed and named all of them. They also identified and shared their colours and types. The children were very happy to have enjoyed the lush green grass. They quickly learnt to identify the differences between the dry leaves and fresh leaves. They also told that the plants need water every day.

## CHILDREN'S DAY CELEBRATION

On November 14th 2019, we celebrated Children's Day at Nalapad Academy. The day was filled with a lot of fun and learning for the children. The teachers, dressed up as school kids themselves, taught the students the reason behind celebrating Children's day. They also planned some fun games and activities for the children. After much fun, frolic and dancing, the teachers and the students spent some time reflecting on their journey so far, at Nalapad Academy. Our Managing Director, Mr. N. A. Haris, the Director, Mr. Omar Haris Nalapad, our Principal, Ms. Kavita Sinha, and the Administrator, Ms. Thanuja addressed the students and handed over mementos to them. Overall, it was a fun-filled day at Nalapad Academy.

## SCIENCE FAIR AT NALAPAD ACADEMY

On 13th December, the primary students of Nalapad Academy, along with the science and robotics faculties, planned and organised a science fair to showcase their learning over the course of the first term. Students learnt and demonstrated experiments encompassing a wide array of concepts, some of them being magnetism, wind energy and fluid densities. The students of grade 5 and 6 worked with Lego blocks and technology to show how sensors work. Using Scratch, a programming application, they showed how automatic doors and self driving cars work with the help of sensors. The event was very educational, and the children learnt a lot about various topics.
